

Marc Barksdale CSP, CIH. Marc attended Utah State University where he earned his degree in Industrial Hygiene in the field of Public Health. He worked for a short period for the LDS church in their Materials Management Division performing safety and industrial hygiene duties. He was later recruited by The Workers Compensation Fund in 2006 where he is currently employed as a Sr. Safety and Health Consultant. Marc has also achieved his Certified Safety Professional (CSP) and Certified Industrial Hygienist (CIH) designations and is an OSHA-authorized trainer under the OSHA outreach training program.

Fall Protection Fundamentals:

This course is designed to provide the participant with a basic understanding of the regulatory requirements for protecting employees from falls in the construction industry. Using the OSHA standards as a guide (29 CFR 1926 Subpart M), the class will cover basic fall protection theory and practice.
